

Goodbye & Thank You Letter

Dear Directors General,

It is my pleasure to thank you heartily for the unique experience of working with you all as one EUPAN team during the Maltese Presidency of the Council of the European Union between January and June 2017. Your active and enthusiastic participation together with your teams during meetings and workshops, contributed greatly to making our Presidency a successful and memorable event. For this I am grateful.

While extending my good wishes to our Estonian colleagues as they take up their cue in the line of Presidencies, I augur that EUPAN will continue to build upon the professional results that were achieved in context of the 68th DGs Meeting as well as the 9th European Quality Conference that were held in Malta during our Presidency.

I look forward to our next meetings in Tallinn.

Yours Sincerely,

Dr Joyce Cassar

Permanent Secretary (People & Standards)
